Yun-ju? Ah, that punk girl. I forgot about her.
What? Even when you betrayed her, Yun-ju helped you throughout the mission! H-How could you just leave her like that!!?

I'll make this kid my hostage; if you say something I don't like, I'll end his life.
You'll be my loyal dog from now on.

Wait! He's not our enemy... He's the Elder's youngest son.

Because the Main Family ambushed us, he fell into the state of Majin.

But I've never seen anyone wield this much Sagi even in the Branch Family...
It'll be tough, but we'll have to drag him out of the Majin state...

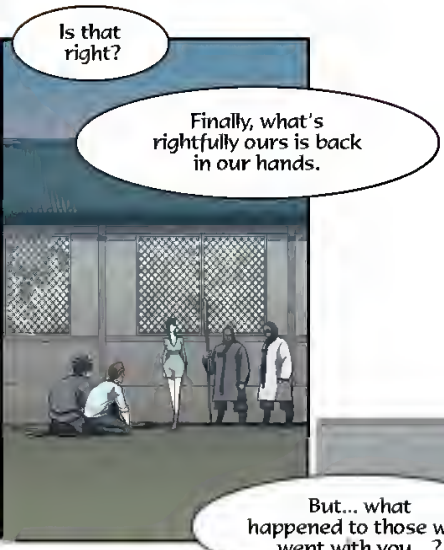
There's no reason to reject the Grand Master's granddaughter, and it would seem that you two are a good match.

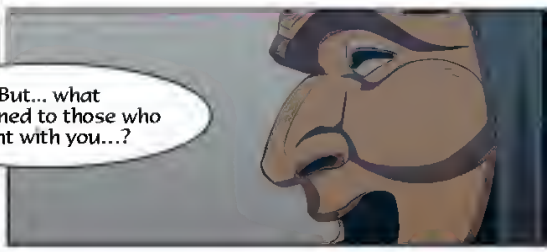
Sfx: Swoop

So, did you retrieve the Ki?

Yes, Elder! I've retrieved all of the Ki from Aran.



Is that right?
Finally, what's rightfully ours is back in our hands.



But... what happened to those who went with you...?

Th-That is...

...Kughh.

Yun-ju and Yu-jung were murdered by the Branch Elder while trying to retrieve the Ki.
What?!

Hu... We've lost much today, and at such a crucial time...
Kuu...
smirk
Elder I tried to transfer the Ki to Yu-jung as requested. However...
it was already too late, so I've transfered it all to myself instead.

We were in such a hurry that I had no choice.
chuk
Please understand that I will do everything in my power to defeat the Branch.

Mmm... I understand. Go ahead and rest.

Yes, Elder.

Investigators are baffled by the strange occurrence, but are currently analyzing the CCTV for further clues.

Due to the quality of the image, the footage is difficult to follow.

However, a creature has been discovered to be the cause of the accident.

Investigators suspect that a wild animal came from the mountains and collided with the cars.
